

MIDWEEK COMPETITIONS

1. Midweek competitions are arranged throughout the season. Subject to availability these will be held once per month on either a Tuesday or Thursday and open to full members with current handicaps.
2. The competitions may be Medal, Stableford or Bogey format, off the white tees unless otherwise stated, full handicap allowance and in accordance with current Club competition rules.
3. Competitors may play at any time during the day and without prior arrangement. There will be no draw for start times and competitors must arrange their own tee-off and playing partners. Competitors have no standing over players not involved in the competition.
4. All competitors must pay their entry fee or place an IOU in the entries box prior to play. Failure to do so will result in disqualification.
5. Entry fee and sweep money will normally be in accord with the main Club Medal competitions but there will be no prize for 'twos'. Sweep winnings will be by way of tokens redeemable over the bar.
6. Full Members may play to gain an initial handicap or to regain lapsed handicaps but cannot compete in the event until such times that they have acquired an official handicap.
7. Five-day Members may play to gain an initial handicap subject to their conditions of membership but cannot compete in the event.
8. The Midweek Competition events remain subject to the rules and regulations pertaining to the Club and Club competitions.
